SYMBIOTICS®
NOURISHMENT FOR LIFE

YOUR NOURISHMENT FOR A BETTER LIFE

Key Benefits

- ALTERNATIVE TO COW'S MILK
- CALCIUM Ca^+ RICH
- ESSENTIAL VITAMINS & MINERALS
- SOURCE OF PROTEIN
- NATURALLY NUTRITIOUS

Why Goat Milk?

Goat milk is a good source of calcium to support healthy bones and teeth; and has protein that contributes to the maintenance of muscle mass.

Goat milk is a natural source of essential vitamins and minerals, including calcium, potassium, magnesium, phosphorus, zinc, selenium, iodine, manganese, and chloride, as well as Vitamin A, B_2, B_3, B_6, and D.

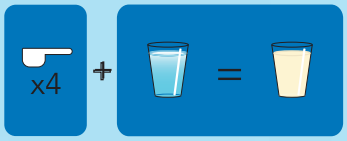
Preparation



PREPARATION INSTRUCTIONS:
4 teaspoons + 160ml water = 1 serve
Add 4 level teaspoons of Goat Whole Milk Powder to 160ml of water. For best results firstly mix powder with a small portion of water, stir briskly until smooth and then add the remaining balance of the water while mixing until combined. The product can be made up with cold or warm drinking water. Never use boiling water to reconstitute the powder as it may affect the products solubility. Suggested serving size is 1-2 serves per day.

STORAGE INSTRUCTIONS:
- Always store in a cool dry place, avoid direct sunlight and high temperatures.
- Do not use if foil security seal is damaged or missing.
- After opening, keep the container airtight and use within four weeks. Do not store in the refrigerator.
- Please use the product before best before date printed on the bottom of can.
